Subject: Letter of Recommendation

To Whom It May Concern:

Emerald Construction Company would like to recommend DRH Design Group, Inc. for their expertise in civil & architectural design services and detailed client relations.

As project manager for Emerald Construction Company I worked directly with DRH Design Group, Inc. through the permitting, submittal & shop drawing, and on-site construction process to renovate a 20,000 square-foot building and 10 + acre site for United Rentals in Manassas, VA. With the exceptional teamwork exhibited by DRH Design Group, Inc., we were able to accelerate an original 16-week project to 9 weeks in order to meet the Owner's need to occupy the building.

DRH Design Group's detail-oriented and teamwork approach would be a great asset on future projects within your firm.

Sincerely,

A handwritten signature in blue ink that reads 'Chris Lowder'.
